

IANTD Technical Dive Supervisor

8 days or internship

Costs include:
Extra costs:

Boat trips
Equipment, Gases, Certification, Manual

A. Purpose

1. This Program is designed to provide recognition of leadership qualifications of competent divers. A Technical Diver Supervisor is a Leadership or Instructor-In-Training rating.
2. Technical Diver Supervisors may supervise divers in OW and students in all IANTD Standard Programs (except Overhead Environment) IANTD Technical Diver, and, (if they meet the prerequisites) Trimix, Rebreather, Wreck, and Cave Diver, under the direction of a qualified IANTD Instructor.

B. Prerequisites

For All Levels:

1. Must be a minimum of 18 years of age.

For Advanced EANx:

1. Must be qualified as an IANTD Advanced EANx Diver, First Aid, Oxygen Provider and IANTD Rescue or equivalent. Qualification in two optional IANTD Specialty Programs is recommended.
2. Must provide proof of a minimum of 60 logged dives.

For Advanced Recreational Trimix:

3. Must be qualified as an IANTD Advanced Recreational Trimix Diver, First Aid, Oxygen Provider and IANTD Rescue or equivalent. Qualification in two optional IANTD Specialty Programs is recommended. Must provide proof of a minimum of 60 logged dives.

For Technical Diver:

2. Must be qualified as an IANTD Divemaster, Rescue and Accident Management, and IANTD Technical Diver.
3. Must provide proof of a minimum of 150 logged dives, of which at least 45 were deeper than 130 fsw (39 msw) and at least 10 were to a depth of at least 190 fsw (58 msw).

For Trimix:

4. Must be qualified as an IANTD Trimix Diver and IANTD Technical Diver Supervisor.
5. Must provide proof of a minimum of 200 logged dives, of which at least 12 were Trimix dives.

For Rebreather:

6. Must be qualified as an IANTD Rebreather Diver and Trimix Diver Supervisor.
7. Must provide proof of a minimum of 200 logged dives of which at least 20 were on Rebreathers.

For Wreck:

8. Must be qualified as an IANTD Technical Wreck Diver and IANTD EANx Divemaster.
9. Must provide proof of a minimum of 100 logged dives, of which at least 35 were wreck dives.

For Cave:

10. Must be qualified as an Advanced Cave Diver and IANTD EANx Divemaster.
11. Must provide proof of a minimum of 100 logged dives, of which at least 60 were cave dives.

C. Texts

1. *IANTD Technical Diver Supervisor Student Manual & Workbook.*
2. All IANTD Student Manuals & Workbooks through to this level of training.

D. Program Content

1. Must assist in at least two courses at the level applied for and give at least two lectures. Must supervise at least one complete confined water session and spend 100 minutes of bottom time in direct supervision of divers (under guidance of an Instructor).
2. This Program must include a minimum of 2 evaluation dives at each level of qualification being qualified, in addition to the inwater time specified above.
3. Advanced EANx Instructors who have met the diving and qualification level prerequisites will be awarded Dive Supervisor recognition by assisting in one Program at the specific level and recommendation of the instructor.

E. Equipment Requirements

1. Fulfill all Equipment Requirements as specified in the general Technical Diver Programs overview.

F. Program Limits

1. Same as for the applicable IANTD Technical Diver Program.

G. Water Skills Development

1. Assist on all dives of a course in each level being qualified for (IANTD Technical Diver, Trimix Diver, Wreck Diver, Cave Diver, or Rebreather Diver Programs).
2. Demonstrate all skills taught in the applicable IANTD Program(s).
3. Demonstrate overall water skills and supervision abilities to the satisfaction of the Instructor.
